This event aims to provide the greater Central Texas community with a fun family day to enjoy a variety of activities, learn from experts, and connect with other dog lovers. Now in its fifth year, the Dog Days Canine Event has something for everyone. Head to Hewitt Park on Saturday and check out the weenie dog races, get a Glam Fur photo with your pet, shop local vendors and take in the sights. New to the event this year will include a petting zoo (donations appreciated) and Chicken Dog Entertainment! You can even go home with a new furry friend if you're interested in adopting as pet rescue groups, pet adoption groups and pet care information will all be available. If you'd like to support local shelters, the **library will be collecting donations of dry dog food**. We hope to see you – and your pets – at the Dog Days Canine Event!
