

Health Insurance Portability and Accountability Act (HIPAA) requires a group health plan to provide a Notice of Special Enrollment Rights annually to all employees who are eligible to participate in the plan.

## **Notice of Special Enrollment Rights**

### **“Special Enrollment Rights”**

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance coverage, you may, in the future, be able to enroll yourself or your dependents in this Plan, provided that you request enrollment within 30 days after your other coverage ends. In addition, if you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself, your spouse, and your newly acquired dependents, provided that you request enrollment within 30 days after the marriage, birth, adoption or placement for adoption. Effective 4/1/2009 employees or dependents who lose coverage under Medicaid or CHIP as a result of loss of eligibility can request coverage under the plan within 60 days after the termination. If the employee or dependent becomes eligible for a premium assistance subsidy under Medicaid or CHIP, and the employee requests coverage under the plan within 60 days after eligibility is determined, the employee is allowed to drop coverage due to this regulation. A HIPAA certificate will provide information to the health plan about your prior coverage.

## **Women’s Health and Cancer Rights**

### **Notice of Rights to Reconstructive Surgery Following Mastectomy**

The Women’s Health and Cancer Rights Act of 1998 was signed into law on October 21, 1998. The Act requires that all group health plans providing medical and surgical benefits with respect to a mastectomy must provide coverage for all of the following:

- Reconstruction of the breast on which the mastectomy has been performed;
- Surgery and reconstruction of the other breast to produce symmetrical appearance; and
- Prostheses and treatment of physical complications of all stages of mastectomy,

including lymphedemas.

This coverage must be provided in a manner determined in consultation with the attending physician and patient.

This coverage may be subject to co-payments, annual deductibles and co-insurance provisions as is deemed appropriate and as is consistent with the co-payments, annual deductibles and co-insurance for other benefits under the plan or coverage. Federal law requires this coverage. In addition, our Plan will not deny you eligibility or continue eligibility to enroll or renew coverage under the terms of the Plan, solely for the purpose of avoiding this coverage, or to penalize incentives (monetary or otherwise) to an attending provider, to include the provider to provide care to you in a manner inconsistent with the coverage required under the Women’s Health and Cancer Rights Act of 1998.

## **Newborns’ and Mothers’ Health Protection Act**

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

## **Health Insurance Portability and Accountability Act (HIPAA)**

The Health Insurance Portability and Accountability Act of 1996 deals with how an employer can enforce eligibility and enrollment for health care benefits, as well as ensuring that protected health information which identifies you is kept private.

You have the right to inspect and copy protected health information which is maintained by and for the plan for enrollment, payment, claims, and case management. If you feel that protected health information about you is incorrect or incomplete, you may ask your benefits administrator to amend the information. For a full copy of the Notice of Privacy Practices, describing how protected health information about you may be used and disclosed and how you can get access to the information, contact Benefits Administration.

**DISCLAIMER:** The HIPAA Privacy Rule is effective beginning April 14, 2003. The Privacy Rule is intended to safeguard protected health information (PHI) created and held by health care providers, health plans, health information clearing houses and their business associates. The provisions of the Privacy Rule have significant impact on those who deal with health information and on all citizens with regard to their personal PHI. Our health insurance broker and all of our contracted plans adhere to the HIPAA Privacy Rule.

This **is not** a Grandfathered plan.

## **Important Notice from the City of Hewitt About Your Prescription Drug Coverage and Medicare**

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the City of Hewitt and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. The City of Hewitt has determined that the prescription drug coverage offered by Baylor, Scott & White Healthcare is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

### **When Can You Join A Medicare Drug Plan?**

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15<sup>th</sup> to December 7<sup>th</sup>.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

### **What Happens To Your Current Coverage If You Decide To Join A Medicare Drug Plan?**

If you decide to join a Medicare drug plan, your current City of Hewitt coverage will be affected. See pages 7-9 of the CMS Disclosure of Creditable Coverage to Medicare Part D Eligible Individuals Guidance (available at [http://www.cms.hhs.gov/Creditable\\_Coverage](http://www.cms.hhs.gov/Creditable_Coverage)), which outlines the prescription drug plan provisions/options that Medicare eligible individuals may have available to them when they become eligible for Medicare Part D.

If you do decide to join a Medicare drug plan and drop your current City of Hewitt coverage, be aware that you and your dependents will be able to get this coverage back.

### **When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?**

You should also know that if you drop or lose your current coverage with the City of Hewitt and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following November to join.

***For More Information About This Notice Or Your Current Prescription Drug Coverage....***

Contact the Medicare office for further information at 866-746-4234. **NOTE:** You will receive this notice annually and at other times in the future such as before the next period you can enroll in Medicare prescription drug coverage, and if this coverage through the City of Hewitt changes. You also may request a copy of this notice at any time.

***For More Information About Your Options Under Medicare Prescription Drug Coverage....***

More detailed information about your Medicare plans that offer prescription drug coverage is in the "Medicare & You handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare prescription drug plans.

For more information about Medicare prescription drug plans:

- Visit [www.medicare.gov](http://www.medicare.gov)
- Call your State Health Insurance Assistance Program (see your copy of the Medicare & You Handbook for their telephone number) for personalized help,
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048

For people with limited income and resources, extra help in paying for Medicare prescription drug coverage is available. Information about this extra help is available from the Social Security Administration (SSA) online at [www.socialsecurity.gov](http://www.socialsecurity.gov), or you can call them at 1-800-772-1213 (TTY 1-800-325-0778).

**Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).**

## Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2019. Contact your State for more information on eligibility –**

## **HEALTH INSURANCE MARKETPLACE COVERAGE OPTIONS AND YOUR HEALTH COVERAGE**

### **Part A**

#### **General Information**

When key parts of the health care law took effect in 2014, there was a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment based health coverage offered by your employer.

#### **What is the Health Insurance Marketplace?**

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace ended January 31, 2017 unless you qualify for a Special Enrollment Period.

#### **Can I Save Money on My Health Insurance Premiums in the Marketplace?**

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

#### **Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?**

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

#### **How Can I Get More Information?**

For more information about your coverage offered by your employer, please check your summary plan description or contact The City of Hewitt.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](http://HealthCare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.
