Special-Needs

The Take Me Home program is a **FREE** service available for all residents of McLennan County, for adults and children who may have difficulty communicating due to a developmental or cognitive disability.

The database is maintained by the Hewitt Police Department Communications Division. It is only accessible to law enforcement personnel and may include a photograph, disability information, physical description and emergency contact information.

If a person in the Take Me Home program is encountered by a police officer or deputy dispatched by Hewitt, personnel can access the database and quickly retrieve critical information that can help in communicating with the individual and a safe return to the caregiver.

Who can enroll?

Any adult OR child who may have difficulty communicating due to a developmental or cognitive disability. These individuals tend to be a risk for wandering and include disorders such as Alzheimer's, Autism Spectrum Disorder, Dementia, Down Syndrome etc.
